Dear .....

**RE: ENROLMENT INTO ..... PROGRAMME AT TUMA FOR THE YEAR 2018/19**

Please refer to the above heading.

We are glad to inform you that your qualifications meet the requirements for enrolment into our University. Congratulations and welcome to Tumaini University Makumira (TUMA).

The University opens on the **29<sup>th</sup> October 2018** for a two-day **compulsory** orientation session. Please report on time as failure to do so will lead to your being excluded from the list of prospective students.

Tumaini University Makumira is near Usa River some 17 kms from Arusha town on the Arusha-Moshi highway. If you are coming by public transport, drop off at a bus stop known as *Transformer* or *Lango kuu la Chuo (Main gate)*. The University buildings are clearly visible from this point. Avoid late night arrivals as this might cause you some inconveniences.

Please note that you will **not** be registered if you do not produce the **original** and copies of your academic certificates/transcripts. Note also that producing copies other than the authentic ones is an offence that demands the involvement of the court of law. Consult a doctor and fill out the medical examination form available on the university website.

Payment of fees is a condition for registration. Only those who have paid a minimum of **TZS 500,000** and **TZS 50,400** for those who do not have a valid medical insurance will be registered. HESLB beneficiaries will be reimbursed according to their means tests. All education students must pay an annual fee of **TZS 100,000** exclusively for all **Teaching Practice (Field)** expenses. Payment must be made through the University bank account (CRDB USA-RIVER BRANCH, A/C No: **0150406251401**, Name: **Tumaini University Makumira**).

Note also that **accommodation** on campus is **very limited**, and it will be provided on the basis of first come first served by payment of TZS 150,000 upon arrival. Students are strongly advised to make prior arrangements for accommodation in the University campus neighbourhood. Please do the needful and feel free to contact us in case of need.

Again, welcome and God bless you!

Yours sincerely,

Prof. I.R. Mbise  
Deputy Vice Chancellor Academic Affairs
